

Caring

Arbor Woods staff are dedicated to providing a comfortable, caring, and worry-free environment. This gives our residents the freedom to meet the challenges of aging in gracious, dignified surroundings.

- Our staff are supportive of all residents by getting to know each individual's requirements and preferences.
- Our exceptional staff takes the time necessary to adapt to care levels which are designed to enhance a resident's quality of life.
- Each apartment is equipped with two cords to call for staff assistance. Our staff's priority is to answer those calls in a timely manner to address any needs or concerns quickly.
- All of our resident needs are attended to frequently, whether physical, emotional, or social are addressed at least every two hours, or more frequent if needed.
- All Residents at Arbor Woods are administered medications by a Nurse or Charge Aide; these individuals make sure the medications are taken.
- The nursing assistance is part of your living at Arbor Woods.
