

Secure

Families and residents can feel secure at Arbor Woods.

- Arbor Woods staffed with qualified Nurses and Resident Aides 24/7
- Staff observes each resident frequently to ensure safety, without compromising privacy.
- All external doors are locked, including the front door in the evening.
- All external doors are alarmed, notifying our staff when security has been compromised.
- With the use of wander management technology, those individuals that may be prone to wander, are recognized before they leave the building so staff can quickly redirect them back to safety.
- As individuals develop greater needs for assistance, our skilled personnel handle every situation with gentle care.
